

The background is white and decorated with several dark gray circles and five-pointed stars of varying sizes, scattered across the page. Some circles are solid, while others have a lighter, hazy center, giving them a celestial or ethereal appearance.

Girls' Union

Morishima Akiko Presents

angelic girl

Every
day, i'm
polluting
an angel.

N-not...
not that!

I'm so
sorry

You're
so wet
down here,
Tsukamya-
san

You're
getting
turned on,
right?

I'm getting
dizzy from
her cute
voice and
her sweet
scent.

Even if
she's crying,
even if she
doesn't like
it, I can't
stop.

It's...
e-embarr-
assing...

Ah!

Does it feel
better?

You
know, if
I touch you
like this,
does it...

Negami-
san... I love
you...

Eh?!

Negami-
san.

Yes, please
forgive me

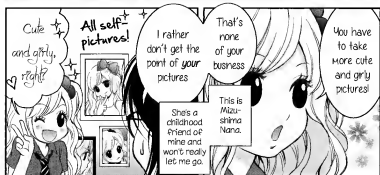

'Kura' in Kuraka as in 'kurai'.
dark, gloomy.

I'm feeling drowsy... maybe I should skip today...

'Nega' in Negami as in 'nega-tive'.

My name is Negami Kuraka.
I'm an XX chro-mo-some.

Tsukamya-san would like me, I suppose

If I were a handsome girl like her,

Ahh...

WELL, IF YOU SAY SO. THAT MAY BE RIGHT.

In fact, if it wasn't for you wearing a skirt, people would probably think you were a boy

Even if I were a boy though, I still don't think I'd be too popular

Isn't it "If I were a boy" normally?

I'll just sit quietly and wish for her happiness

That way I always get to watch over her

sigh

Not really, just this is fine with me

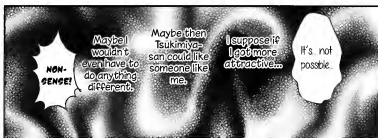

One thing I do like about Nana is that she never resorts to lies or flattery.

Still, there are many curious girls in the world

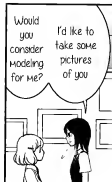

Why not just ask her out on a date?

Kei!
Come here for a little while!

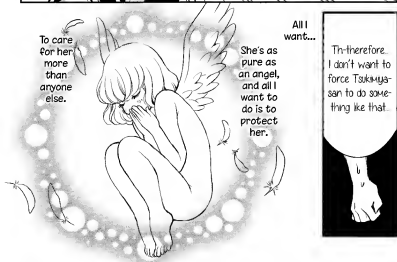

Her casual clothes are really cute too.

Um this...

Nothing more than a friend...

Come in!

Excuse me for disturbing

Maybe her friend, I suppose...

It's not like I'm her girlfriend all of a sudden.

All I did was to change the way I looked.

Thump

Wow! Little drawers cakes!

I'm too happy ♥

Her hair

pink

E- either one is fine.

Do you want coffee or tea, Negami-san?

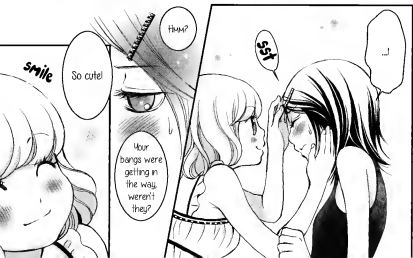

Th-thank you for modeling for me...

Nothing more!

Uwah! Macarons too!

So I made
a new one!
How is it?

I didn't
really feel
the flower
one I made
earlier fit
your image.

Yeah!
This really
looks better
on you!

A
hairpin?

Ahh,
another
one.

Here
you go!

I thought
so

Why I
You don't like
it, right?

Tsukimiya-
san did it for
someone like
me?

Huh...
why did
you do
that?

At
last you
looked at
me!

Hi
Hi!

For
someone
like me...

Thank
you very
much

I'm
really
happy

Has this
been on your
mind for so
long?

Why would
you say
that about
yourself?

It's true!

But how
could you like
someone like
me

drip
drip

Wahl

No
way

Too
sweet.

She's too
cute

Tsukumiya-
san. At this
time I've

You're
always
quiet and
alone

But I just
can't leave
you be

I can't
leave
you be
either

After
all, she
is really
just an
ordinary
girl.

Really is
as cute
as an
angel,
but...

My
beloved
Tsukimiya-
san...

But
still?!

I guess
this will be
a bit scary.
But still.

Ah

I really
have no
idea!

What
should I
do?

She's so
cute and
I love her
so much.

Is it
alright
now?

Or
not
yet?

but I can't really
ask her...

Oh,
to be so
young...

Bitter-
sweet,
isn't it?

Sex,
that is

No way
on the first
date.

I hope
Nega and
Tsukimiya-
san are
hitting it
off.!
